MORTGAGE SALE

Whereas, default has been made in the payment of the interest falling due on the 31st day of March, A. D. 1908, upon a mortgage bearing date the 4th day of March, A. D. 1908, executed by Mary Carroll, then wife of the City of Detroit, Wayne County, State of Michigan, to the First National Bank of Yale, a body corporate, organized under the laws of the United States, said mortgage being recorded in the office of the Register of Deeds for the County of St. Clair, State of Michigan, in Liber 58 of Mortgages, on page 124, on the 18th day of July, A. D. 1908, at 9 o'clock in the forenoon.

Which said mortgage was on the 28th day of December, A. D. 1907, duly assigned by said First National Bank of Yale, to Herbert C. Seigel, of Cass, St. Clair County, Michigan, and which said assignment was on the 28th day of July, A. D. 1908, duly recorded in the office of the Register of Deeds for the County of St. Clair, State of Michigan, in Liber 14 of assignments of mortgages, on page 57.

And whereas, it is provided in said mortgage that if any default should be made in the payment of the interest or any part thereof and so remain for thirty days, then the said principal sum with all arrears of interest become due and payable immediately thereafter, and more than 30 days having elapsed since said default, and the same being still in arrears and unpaid, said mortgagee has and hereby does elect that the entire sum of principal and interest is due and payable.

And whereas, the amount claimed to be due for principal and interest on the sum secured by said mortgage at the date of this notice is seventeen hundred fifty and eighty-seven one hundredth dollars (\$1,787.10) and no suit or proceeding at law, to recover said sum or any part thereof has been begun, whereby the power of sale in said mortgage has become operative.

Now, therefore, notice is hereby given that by virtue of the power of sale in said mortgage contained and in pursuance of the statute in such case made and provided, the said mortgage will be foreclosed by a sale of the premises therein described at public auction to the highest bidder at the front door of the Court House in the City of Port Huron, County of St. Clair, State of Michigan, (that being the place where the Circuit Court for said County is held) on the 24th day of October, A. D. 1908, at one o'clock in the afternoon, to satisfy the amount due as aforesaid, together with the interest thereon at the rate of six per cent per annum, to either with the expenses of foreclosing, including an attorney fee of twenty-five dollars.

BASE BALL NEWS.

Last Friday afternoon Dave Welch brought his nine "colts" to Yale and tried to show the business men's base ball team "where to get off at." We couldn't attend the game, but from all reports it is a bunch from out of town were out-classed at every point and the book-keeper's report showed a victory for the business men, by a score of 16 to 9.

Following we give the score by innings:—

Colts	1	2	3	4	5	6	7	8	9	Total
	0	2	0	0	0	7	0	0	0	9
Bus. Men	2	1	0	2	4	2	1	0	0	16

Batteries—Rath and Rath; Learmont and Caldwell. Umpire—Fred Currier.

As Bill Campbell prophesied last week his "canaries" got a good feed off the business men's team yesterday afternoon at the City Park. The score was 6 to 12 in favor of the "birds."

Two good ball games are scheduled for the Yale team during the coming week, and both will be played on the City Park diamond. The Loyal Guard team, one of the fastest ball playing aggregations of Detroit, will be the visitors. This team is making a tour of the Thumb and will be here Saturday and Monday, August 22 and 24.

It has been some time since our boys have had a game and the entire bunch will work hard to wind up the season with victories. The seats which were placed in the park a short time ago will be moved over to the diamond and it will not be necessary for spectators to remain standing during the games.

Below we publish the line-up of the Yale team:—

Mitchell, c
Lane or Currier, p
Lothian, 1b
Baxter, 2b
Jones, 3b
Lane or Currier, ss
Holden, r
McDuff, l
Caldwell, m

Both games will begin at 3 o'clock local time. All lovers of this sport should attend, as both games promise to be closely contested.

LIGHTNING ROD INSURANCE

Mrs. Mary M. Bowles, insurance agent of Yale, has received the following letter from "The Western Underwriter," a weekly newspaper of insurance, which explains itself:—

Chicago, Aug. 18, 1908

Mary M. Bowles,
Yale, Michigan

Dear Madam:—Replying to your favor of Aug. 13, as to lightning rod firm guaranteeing to pay a loss in case property is struck by lightning and injured or destroyed, will say that unless an insurance policy permits other insurance this as added insurance would void the regular policy. In the event of the regular policy permitting other insurance, the loss would have to be apportioned between the lightning rod firm and the insurance company, the same as if two companies were on the risk. If a firm is doing the rodding, a contract of this kind is legal as between the assured and the firm. If a corporation is doing the work it is legal only if its charter gives it the right to insure property which is not likely, as to insure it would have to be incorporated under the insurance laws.

Yours faithfully,
C. M. Cartwright,
Managing Editor
